Fusion Fuckery · Print and Play Decks

Print on A4 at **100% / Actual size** (no "fit to page"), then cut along the marks. Every deck fills exactly 5 pages: Main Deck first, then its Fusion Deck, then its swap-ins. Swap-ins trade one for one: keep the Main Deck at 30 cards and the Fusion Deck at 10 or fewer, with no more than 3 copies of a card.

Unholy / Guardian / Heavy

{Blood Priest + any Unholy creature}
Once per turn: Banish 2 cards from your Waste Repository to restore 5 HP to a creature or gain 5 PHP.

Whenever you sacrifice a creature: This creature gains +2 ATK permanently.

8ATK/28HP/1SPD

Carrion Duchess

5

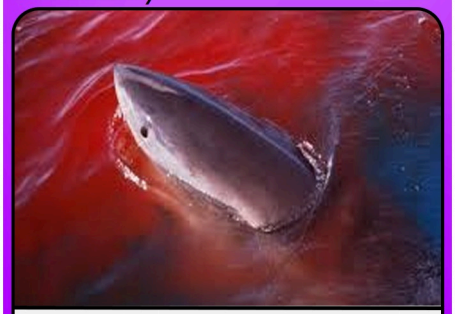

Unholy / Humanoid / Noble

Pay 3 PHP: Reduce this creature's flux cost by 1.

At the end of your turn: You may pay 2 PHP to return an 'Unholy' creature with 5 or less max HP from your Waste Repository to the field.

3ATK/10HP/2SPD

Blood Frenzy

Choose an 'Unholy' creature you control: It gains +4 ATK and +1 Speed until end of turn. Sacrifice it at the end of your turn.

Crimson Altar

When you fuse: You may sacrifice an 'Unholy' creature you control that isn't one of the fusion splices instead of paying the 2 flux.

Goblin Stock Broker

Pay 3 gold: Choose a real stock, ETF or cryptocurrency ticker and write down its price now.

At the start of your next turn, look up the same asset again:
- If it rose, double the invested gold and add it to your pool.
- If it fell, lose the invested gold.
- If it didn't change, flip a coin. Heads counts as rose, tails as fell.
After that this card resolves.

Sacrificial Lamb

Banish 2 'Unholy' creatures from your Waste Repository to gain 6 PHP.

Lord Lazarus

Noble

{any 2 Noble creatures}
The first time this creature is destroyed, return it from your Waste Repository to the field at the start of your next turn, with its ATK, HP and Speed halved (4 ATK / 11 HP / 1 Speed). If all your lanes are full then, it stays in your Waste Repository.
